

Simpson's Properties COVID-19 Contractor Policy

We will email the tenants for them to advise if anyone is self-isolating by replying to our email. If a member of the group is then we will reorganise the visit.

Our contractors will reschedule the work if:

- Any tenants/representatives have any flu-like symptoms
- The contractor feels that it is unsafe to carry out any work

Our contractors will do the following:

- Wash their hands when arriving at the property/site and after completing their work. This may involve the use of hand sanitiser
- Sanitise areas that they have worked in and points of contact like door handle
- Where a mask if they feel it is necessary based on the site and workspace
- Stay 2 meters from other contractors and anyone else at the property/site
